

#### LOCATION:

Adaaran Club Rannalhi is located 34 km from the Male International Airport; a 45-minute speedboat transfer to the resort. The resort has its own house reef which is ideal for snorkelling, and neighbouring dive sites with multi-coloured corals, schools of small coral fish, stingrays, and sleek sharks that prowl the seabed. In the Maldives, diving resorts such as ours let you truly get a chance to witness the vibrant wonders that lie beneath the surface of the Indian ocean. Here, every splash, sunset and star-lit evening blends carefree energy with a vibrant ambience, an all-inclusive escape made for memory making.
